Why the Martlet and where does it come from?

A martlet in English heraldry is a mythical bird without feet which never roosts and is continuously flying. It is an allegory for continuous effort. It is used by many of educational institutions on their coat of arms. The inability of the martlet to land is said to symbolize the constant quest for knowledge, learning and adventure. Martlets appear in the arms of Worcester College, and University College at Oxford University, of Magdalene College, Pembroke College at Cambridge and McGill University in Montreal.

From the desk of the Head of School....

What a Year!' Those three little words can mean so many things. This year they mean that we have come through the pandemic to a point where our arts, athletics, sports days, assemblies, concerts, Graduation and Prom all came back in person.

Despite masks, temperature checks, and twice weekly testing, we came through as a community with our senses of humour intact and a deepening sense of empathy for those around us. We came through as a community of learners and you, our amazing students, steadfastly continued your learning online, on campus, outside, inside at home and at school.

I could not be prouder of our community! I have been so fortunate to be your Head of School these past five years. We have shared a great deal of laughter, difficult discussions, transformative learning and through it all, we have celebrated you, our wonderful students. As you read through these pages, enjoy remembering and take some time to look to the future - it will be there before you know it!

Fondly,

Deryn Lavell

Welcome to the Primary Department

Jeanne Bean
Director of Primary

This year in the primary department we were so pleased to welcome back some of our special events that involved having our parents on campus. It was wonderful to have our parents in-person to cheer our students on at our sports days and to witness our students perform so effectively in our Spring Concerts.

Amongst other special events that took place in the final term of school, our Year 6 students enjoyed celebrating the end of their primary experience with a 2-night camping adventure on Darrell's Island. This event provided the students with a great opportunity to bid farewell to the primary department and to get to know some of the teaching staff in Middle School.
We were also excited to showcase our learning during our Open Houses.

I would like to take this time to thank all of our parents for their support and partnership during this school year, which was not without some challenges. Thank you for helping our students to persevere and successfully complete another year at Saltus.

This year we were excited and happy to be able to celebrate the achievement of our Year 6 students back in the Upper Primary Hall. We were pleased to have the parents back in person as we acknowledged our students and celebrated their accomplishments.
The students were able to perform and reflect on their time in the Primary Department.
The Primary Faculty and Staff wish them all the best as the continue their educational journey and hope they visit often!

Shayne Scott
Assistant Director of
Middle School

James Anthony
Director of Senior School

Wesley Simon
Assistant Director of Senior
School

We have had quite a year requiring students and teachers to make several adjustments. At the beginning of the year we had hoped for a return to the active, engaging Middle School experience that our students need. We started school in person but unfortunately, we were thrust back into online learning for several weeks.

Things did however improve and our Middle school community was able to participate in the Endeavour program, host open houses, take field trips to Burt island, host an in-person sports day and gather for achievement and celebration assemblies!

With a bit of determination and a tremendous amount of resilience shown by students, teachers, staff and parents, we have been able recapture some of the interactive and enjoyable learning opportunities required for a great Middle School student education.

Our hope is that our COVID days are mostly behind and a great summer experience is before us! With great optimism we look forward to the next academic year!

Please take the time to enjoy this snapshot of all the memorable events from the 2021/22 academic year. There have been many highlights as we have looked to move beyond the pandemic. Once again we are immensely proud of all our senior school students as they have continued to navigate some of the obstacles put in their way.

This was the first time in three years that our Year 11 and SGY students were all able to sit their external exams and even this came with its own unique set of challenges. As you look through these pages we hope that it reminds everyone of the strong friendships you have fostered and the good times you have enjoyed.

We would also like to thank all our staff at Saltus who continue to work tirelessly for our students. Our final (and most important) thank you goes to the Yearbook Committee as well as Deputy Head, Nicole Chichon, whose hard work and dedication have made this edition possible.

Please take the time to enjoy all our collective achievements as a community.

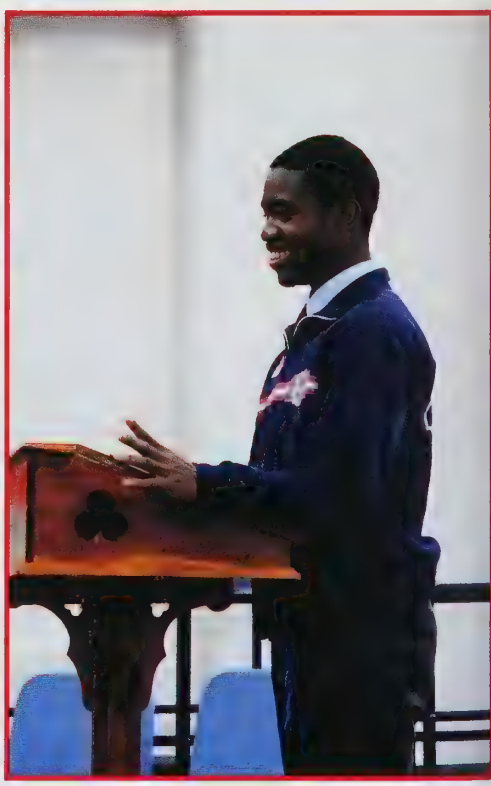
Public Speaking, Debate and Oratorical Competition

look who's TALKING



Saltus has had another successful year in the Public Speaking arena. Our students were able to compete in the local Bermuda Public Speaking and Debating Tournament in both the Middle School and Senior School divisions. We were particularly proud to see the increased involvement from our Middle School students who have benefitted from having Public Speaking and Debate as one of their classes this year. One of our Middle School teams (we were lucky to be able to enter multiple) as well as our Senior School team both placed first overall in their respective divisions and our students placed in a multitude of categories including: Impromptu Speaking, Interpretive reading, Radio Newscast, Dramatic Interpretation.

Middle School competitors: Erin Alfrey, Luciana Fischer, Grace Buckley, Christopher Madeiros, Noah Maranza, Grayson Tavares, Gabriella Francis, Violet Neil.
Senior School competitors: Vincent Darrell, Alyssa DeSilva, Sam Webel.

We are also incredibly proud of our Senior Public Speaking team who capitalised on their local success and entered the International Independent Schools Public Speaking Competition in Canada that was hosted this year by Armbrae Academy and King's Edgehill School in Halifax. This competition pitted top students from over 45 international schools and countries in a fierce competition of wits, words and presence. Saltus Senior Public Speaking team competed with poise and a fierce determination over a four day period in early March. We attended this competition virtually which added it's complexities but the students rose to the challenge and Sam was even able to make it to Finals!

Senior School Team: Head Prefects, Alyssa DeSilva and Vincent Darrell and Head of Gold Key, Sam Webel

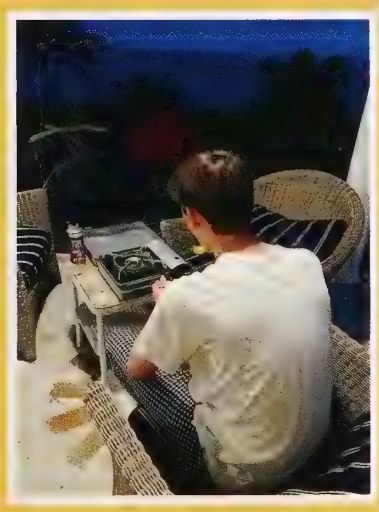
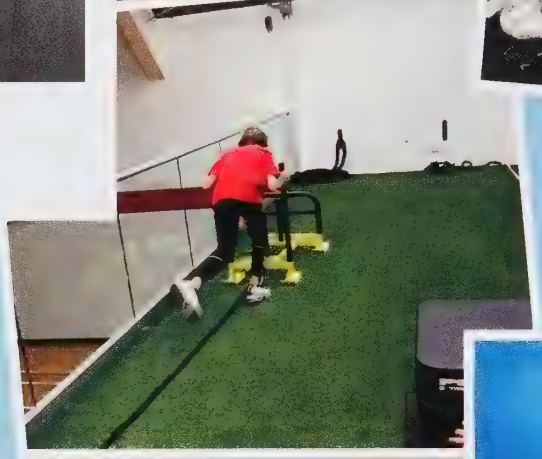
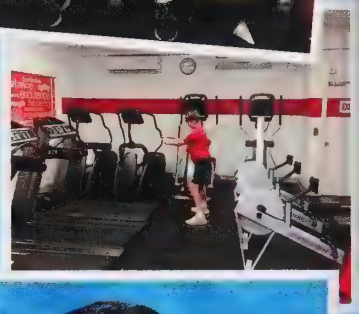
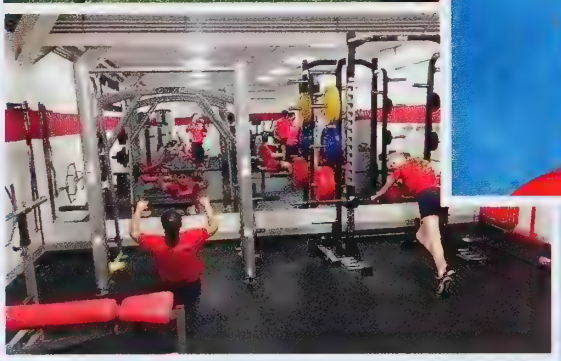
Duke of Edinburgh
2021-22 there was a 100% pass rate for the Bronze & Silver Awards.
Year 10 and 11 saw the Bronze level awarded to 35 students, and the Silver level awarded to 18 students.. Thank you to Ms. Gangwani for all her hard work with the students.

Year 11
D of E









Saltus Elite Athlete
Programme

The SEAP programme has had another successful year with five of our seven senior students committing to continue their academic and athletic pursuits at the collegiate level.

This year was an expansion year for SEAP as we introduced the programme to our middle school years. In total, we had eighty two students involved in the programme this year. SEAP was opened to the middle years as we believe it is imperative to start preparing our student athletes as early as possible for the collegiate level. The recruiting process is very competitive now that we must start earlier to educate our prospective student athletes and their parents with the university application process. It is our hope that we can continue to grow the SEAP programme at Saltus.

Jodie Walters
Teacher of Design Technology

An educator to his core, Jon has impacted literally thousands of students, families and alumni during his time at Saltus. Always with a smile, his quick wit and abundant kindness, Jon is someone you can count on through thick and thin. He and his wife, Jennie, also a superb educator, brought their love for students, passion for education and joy of life to the Saltus community. They even lived on campus in Woodlands. Oh the stories Jon could tell!

We wish you all the very best Jon and you have our gratitude for all you have done for Saltus and for Bermuda. Thank you!

Deryn Lavell

Head of School

You will be missed...

The 2022 edition of The Martlet was printed by Jostens Yearbooks of Clarksville, TN.

The Yearbook committee created 144 full colour pages on 100% gloss paper.

The Martlet was produced using the Jostens Yearbook Avenue ansd Yeartech Online programs. Without this technology the Martlet would still be created by hand.

This year, the Martlet would like to thank Christopher Adderley, Jessica Bucher, and Charlotte Slayton for the layout and content, as well as our photographers Ethan Fox, Alayah Heath and Victoria Johnson. Additional thanks to Lucas Adderley and Khyii Perinchief.

It is due to the efforts of the Yearbook Committee as well as the efforts of Ms. Chichon that this book exists

For many of us the yearbook was a challenge this year with a few of us learning the programs for the first time! We hope that you enjoy the Yearbook and that you will treasure it as a keepsake of your memories.

Thank you!

Secondary Yearbook Committee 2022

From the Yearbook Committee...

2021-22

What a year this has been!

As we approached the end of the pandemic and things began to open up again we were excited to have more in person events. It was so nice to see the parents (and grandparents) at sports days, music concerts and end of year celebrations. It felt as if the Saltus family was able to come together again. I hope the pictures in this yearbook will bring back many happy memories.

It is also with sadness that we say goodbye to our Head Deryn Lavell and to Jon Beard. Ms. Lavell had guided us through exciting new changes and Mr. Beard has been a steady and invaluable member of our school and local community. They will both be missed.

We are so excited to see more Saltus events open up next year and welcoming more of you on campus. We have missed you.

We look forward to working with our new Head of School Madame Julie Rousseau and we know that you will all welcome her to the island.

I would also like to thank everyone who contributed to this yearbook especially Chris, Jess and Charlotte the Yearbook Prefects and Editors as well as our photographers Ethan, Alayah and Victoria.
